

GAME AND HEROES INFORMATION

Game Name = Class of Bang

- **History**

Class of Bang was created because there was no game that could good strategy skills and could be played by everyone. It was originally just an idea from three people, but then it was developed solely in the library. Our community has grown to over **1 million players** across over **120 countries**. We also have **three branches in Indonesia**.

- **Reviews** : Has a 5 star rating from 800+ thousand reviews

- **Key Milestones**

1. 2011, The idea was born
2. 2015, Development Started : Core gameplay and features began to take shape
3. 2017, Beta launch : Early testing was released to selected players.
4. 2022, Official release : The game became available worldwide.
5. 2025, Major Achievement Launch : Reached a 5-star rating from 800K+ reviews.

- **Founders**

1. Donney (Project Manager) : Oversees the project, manage timelines, and ensures everything runs smoothly
2. Ricky (Lead Developer) : Leads the development process and handles the core technical implementation
3. Dhillia (UI/UX Designer) : Designs the interface and creates a smooth, user-friendly experience
